

JAZAKIB
NIGERIA LTD

JAZAKIB NIGERIA LIMITED

INTRODUCTION

JAZAKIB NIGERIA LIMITED is an indigenous company incorporated under the Companies and Allied MATTERS ACT 1990 with **RC 1476708**. Our head office is located at 092 Block B Mabushi Modern Market, Jahi Abuja.

Our Services are: General construction, Logistics, Electrical and Electrification systems, borehole drilling, production of water table, Geological Oil, and Gas.

ABOUT US

JAZAKIB NIG LIMITED is an indigenous company, duly registered with the Corporate Affairs Commission of Nigeria with registration certificate Number RC: **1476708**

The company is registered to carry out business in building construction, Civil Engineering, Electrical/ Solar Energy Power Installation, Borehole Drilling, general supplies, and General Contracts.

JAZAKIB NIG LIMITED is a wholly indigenous company with various high-margin services lines: we are well-positioned to render expert services. In addition, we import high-quality materials to meet the respective needs of our growing network of local and foreign clients.

Following expansion in our capacity and expertise, the company has since diversified in the Civil Engineering, Construction, and Electrical Industry, bringing strength and experience to bear as one of the leading names. The secret is simple if you can keep a culture of success and a track record of satisfied clients, even the most ardent competitor

will give it to you.

But the question is, how does a company, build its capacity and reputation to do it again? Apart from deploring the best hands, value practices, and business strategies, our capital position allows us to pursue attractive growth opportunities, making **JAZAKIB NIG LIMITED** one of the most stable and reliable companies.

With an increased market share, acquisitions, geographic expansion marked with regional offices in Lagos State, and a network of reliable partners, is **JAZAKIB NIG LIMITED** positioned to serve increasing clients' demand for efficiency anywhere within the country.

CORPORATE INFORMATION

CORPORATE NAME	JAZAKIB NIG LIMITED
OFFICE ADDRESS	092 BLOCK B MABUSHI MODERN MARKET, JAH I ABUJA.
RC NUMBER	1476708

OUR VISSION

“The mission of **JAZAKIB NIG LIMITED** is to provide superior quality general engineering construction, Electrical, and General Supply services that are contracted, scheduled, engineered, and managed to create maximum value for our customers, owners, employees, and the community.

OUR MISSION

To give value-added services in the Engineering industries, through unparalleled professionalism, creativity, and core value practice aimed at, qualitative services, stimulating work environment, and profit maximization.

OUR ASSETS

In **JAZAKIB NIG LIMITED** we are driven by the specific goal for our clients. Delivering top value for every project is the foundation of our business. We believe we have just one chance to make our impression hence it is our core value to keep the standard.

CORPORATE RESPONSIBILITY AND INTEGRITY ARE OUR WATCHWORDS

The organization has systems and methods to stay up to date on customers' needs, market friends, and advances in technology and product trends.

*It is n common notion that if you must do a thing well, do it yourself but if you must use a second hand, then it has to be **Jazakib Nig Limited***

BUSINESS STRATEGY

JAZAKIB NIG LIMITED is fast becoming one of the largest and most experienced indigenous construction/Engineering companies in Nigeria. But the question is how do we do it? Most of our clients think it has to do with our efficiency, promptness, and providing a high-level commitment to each and every client.

EMPLOYEES

In line with the inspection of the tomb of one of the most successful entrepreneurs of all times, THE MD, “Here lies the man who knows how to employ in his service, better men and women than himself”, one of the most cherished secrets of our company is in the ability of not merely identifying and employing professionals, but good people, who go the extra length to get the job done to precision. We take pride in hiring the very best in the business and in helping each and every employee to build a long and satisfying career.

OUR CAPACITY

The depth and breadth of the **JAZAKIB NIG LIMITED** portfolio reflect our diverse capabilities and areas of expertise. We specialize in complex, challenging projects, regardless of the amount, and we are continually expanding our-house resources to address new challenges and opportunities in serving the construction industry.

FINANCIAL CAPABILITY

One of our core strengths of commitment to the complete execution of awarded projects, with a willingness to source financial requirements and contractual obligations. We routinely meet the needs of our clients regardless of size, scope, or location. We have the ability to execute, and the resources and capacity to meet all range demands.

The image shows a stack of financial documents. The top document is an 'INCOME STATEMENT' for the year ended December 31. It lists 'Revenues' and 'GROSS REVENUES (including interest income)' with a total of 889,191. Below this, it lists 'EXPENSES' including 'Materials', 'Subcontractors', 'Utilities', and 'Insurance'. Other documents visible in the background show various financial figures and tables.

Category	Amount
Revenues	
GROSS REVENUES (including interest income)	889,191
EXPENSES	
Materials	223,200
Subcontractors	264,000
Utilities	4,473
Insurance	18,900
	16,650
	7,050
	960

TEAM EFFORT

Viewing the entire site as a community, we use the team approach to identify safety and quality problems and formulate a proactive response. All job site personnel, including sub-contractors, are certified professionals, who must maintain high safety standards on-site. We have a culture of hard work!

KEEPING THE STANDARD

With the high rate of collapse Building, Bridges, and Buildings the need for professionalism and adherence to strict engineering safety rules cannot be overemphasized.

STANDARD

At **JAZAKIB NIG LIMITED** we stick to the contractual agreement in ensuring that only the best qualities of the material used, but also the best hands. We do our job with our integrity and clients in mind.

OUR AFFORDABILITY

On seeing the standard of our services, clients often approach us with the sense of a very expensive company. But we often beat their imagination and douse their expectation, with our down-to-earth approach to down-to-earth it is true we ply the best hands and equipment in the industry, but we also know that our services are incomplete until our customers can afford them.

OUR SERVICES DEVELOPMENT AND CONSTRUCTION BASIC ENGINEERING INFRASTRUCTURE.

JAZAKIB NIG LIMITED focuses on effective collaboration and win- win solutions to basic engineering infrastructures. We are the excited by challenges and facilities to actualize the state-of-the-art of the art infrastructural designs wither implementing intricates engineering feat in building suspended bridges or simple residential designs.

Our versatility has continued to endear us to a number of clients in the private sector. We are propelled and inspired by the vision to redesign and shape the national landmass, including rural settlements in the image and likeness of our technology for comparative global competitiveness.

*If it has to do with Road and Building Construction, Civil Engineering, Renovation, and, Development,
Think!!! Jazakib Nig Limited.*

ARCHITECTURAL SUPPORT

JAZAKIB NIG LIMITED has been fortunate to work with some of the world's most visionary, groundbreaking architects. We support these demanding designers through partnership, creativity, flexibility, and good listening. With innovative solutions to one-of-a-kind, backed by the craftsmanship in the field, we help these artists achieve our clients. The results include numerous signature projects that realized the owner's sight or "Real World" schedules and budgets.

CONSTRUCTION

JAZAKIB NIG LIMITED offers a unique combination of multiple disciplinary capabilities in construction works and various construction skills, and has a proven track record in major project implementation.

The company is positioned as a primary contractor in the delivery of stadium construction and renovation, Road construction and Renovation, Bridge renovation and Construction, General infrastructure, and Industrial facilities.

The company's primary market focuses are infrastructure and facilities associated with construction and civil engineering in the industry.

JAZAKIB NIG LIMITED values innovation and is able to adapt to complex environments which positions it as a leading contractor in the southern hemisphere and developing world.

BUILDING CONSTRUCTION

Construction has been at the heart of our business for some years now. Our service on construction of Residential and Commercial buildings. We effectively carry out underground, harbor, sports facilities, road, and bridge constructions.

In infrastructure maintenance, **JAZAKIB NIG LIMITED** maintains roads and streets including related structures such as bridges. Services are offered under a long-term maintenance agreement, in which pricing is affected by the usability of the route and service quality.

CIVIL ENGINEERING

We have been responsible for a large number of industrial and civil projects on behalf of our clients. We deliver projects in a number of areas of the economy.

JAZAKIB NIG LIMITED has engaged in providing civil engineering and works services for arms of operation in Nigeria which includes Government sectors, up and down streams of the oil industries, multinational corporate bodies, and private individuals.

Our experience ranges from providing civil and building constructions (such as the construction of multi-purpose conference halls/centers, residential/commercial buildings, etc.), to consultancy services, undertaking turnkey contracts, hydro-engineering, and general supply **JAZAKIB NIG LIMITED** has executed the construction of a state of the heart stadium, turnkey projects, commercial and residential building, etc. from many sectors of the economy. Attached in this document is a brief description of work done in recent times.

JAZAKIB NIG LIMITED actively strives to attract and develop talented individuals who understand our customer's needs and who can produce and deliver the best solution. **JAZAKIB NIG LIMITED** respects diversity and encourages the building of teams in which energy, enthusiasm, and creativity can be unlocked through diversification.

We are committed to employment policies that are open and fair and without distinction of any kind such as Race, Sex, Language, Religion, political or opinion, national or social origin, or other status. **JAZAKIB NIG LIMITED** employees are entitled to a workplace which is safe and is free from harassment.

JAZAKIB NIG LIMITED supports the United Nations Universal Declaration of Human Rights and standards advised by the International Labor Organization.

ELECTRICAL ENGINEERING

JAZAKIB NIG LIMITED provides superior quality Electrical engineering services for Rural-Urban Areas. Federal and State governments, corporate bodies, and private institutions. Some of our Electrical works includes: Rural and Urban Electrification, Construction of Electrical power Houses, Design and Installation of Electrical/Mechanical system in Residential, Industrial, and Commercial Buildings, Construction of Telephone exchange stations, construction of GSM Transmission stations, ELP/ Optic Fiber (OFC) Installation etc.

OUR COMMITMENT TO INDIVIDUAL COMPETENCE

JAZAKIB NIG LIMITED delivers are the sum of the expertise and experience of 30 individuals. This diversity of personal capabilities and the interaction between them liberates energy and generates new technology, creative solutions and lasting value.

SUPPLY OF FURNITURE(s)

JAZAKIB NIG LIMITED procurement unit has met the challenges of national supply demands by providing efficient supply and delivery solutions to its clients under a single point of contact and responsibility.

*The **JAZAKIB NIG LIMITED** furniture procurement unit has both international and local partners of more than 15 procurement professionals located in permanent offices in 10 countries around the world, this informs the reason why we are always able and capable of meeting our client's furniture and general supplies need.*

WE SUPPLY HIGH QUALITY FURNITURE

We represent world leaders in the manufacturing of home, office, and business furniture. In conjunction with our overseas partners, **JAZAKIB NIG LIMITED** has established of its years of operation a reputation of outstanding quality in the Nigerian furniture industry.

As a service-oriented company, we provide a complete service package from the idea to the planning of interior decoration, to the supply and installation of furniture and accessories.

SOLAR WATER PUMPING AND SOLAR PANEL INSTALLATION

1. Solar water pumping systems are often very economical when using photovoltaic. In remote areas where generators are used to pump water, the cost of using solar energy are rapidly repaid in saving from fuel.
2. Solar water pumping is also an effective way to provide running water for mobile, marine, or recreational vehicle applications and even fountains and water features. **JAZAKIB NIG LIMITED** carries water pumping equipment that is well suited for operation on solar power. Our selection remote home applications, our pre-designed submersible well pumping kits are designed to provide many years of reliable service.
3. We use Shurflo, Grundfos, and other pumps.

SOLAR POWERED BOREHOLE

Water pumping and solar power are natural partners and make good economic sense for any remote water delivery application. Generally, water is needed most when the sun shines brightest solar modules generate maximum power in full sun condition when we typically need larger quantities of water.

Because of this “Sun Synchronous” matching, solar is an economical choice over Engine driven Generators for most locations where utility power is non- existence. Owners of solar water pumping power system enjoy a reliable power system that requires no fuel and very little attention.

WHAT AND WHO WE WITH OUR EQUIPMENT:

Since our field of service major on the use of high-tech equipment, vehicle, and facilities, as part of its strategy for efficiency, the company has continued to acquittal-of-the-art art technology in responding to client demand for promptness and efficiency in the construction industry.

REGISTRATION AND AFFILIATION

We are certified and registered with all the relevant Ministries, Parastatals, Agencies, and Corporations/Organizations that have benefited immensely from our highly effective and competitive services.

These Include

- Federal Ministry of Education
- Universal Basic Education Commission
- Niger Delta Development Commission
- Federal Ministry of Housing and Urban
- Federal Capital Development Authority (FCDA)
- Nigeria National Petroleum Corporation
- Federal Road Maintenance Agency
- Federal Ministry of Works, Power & Housing

SERVICE OPERATIVE AND GUARANTEE

The makeup of our technical team and staff strength for particular project is determined by the magnitude of the specific job undertaken and the project deadline.

JAZAKIB NIG LIMITED is committed to uncompromising quality control through a comprehensive professional quality assurance system. It is our policy to ensure that every stage of the company's projects meet with highest standard. Our jobs are executed by qualified engineers and experienced professionals who work round the clock to ensure that all jobs followed to specification.

SERVICE WARRANTY

We ensure our service comply with all specific requirements of the contracts documents and thereby insures against defect or materials for period of (10) years.

JAZAKIB NIG LIMITED

**HEALTH, SAFETY AND
ENVIROMENTAL**

INTRODUCTION, PRINCIPLES AND SCOPE

Most human activities carry special risk, which could result in personal injury and property damage. It is an action of accident prevention that all evident have causes and further act of faith that the great majority of them are preventable.

This manual sets out the responsibilities involved in implementing safety programs on the work site. It also presents records and procedures for identifying causes of accidents and reporting systems that are to be maintained on the projects with the understanding that accidents do not suddenly happen, they are caused by unsafe acts or unsafe conditions.

PRINCIPLE

- A job well done only when it is carried out safely.
- All accidents and injury can be prevented.
- Safety must never be sacrificed for the sake of expediency.
- Safety is equal to production and drilling in importance.
- Achieving safe operation is a number one priority.
- Safety is everybody business.

SCOPE

This document shall be used as baseline for implementing and enforcement of the company's projects and shall be amended where necessary as new standards are adopted and when the client safe specifications exceed the company's policy. Our company will always contact the supervising Department/Units and Loss prevention for guidance if in doubt of any safety or environmental procedure.

STATEMENT OF POLICY (SAFETY)

Our company in recognition of the importance of Health, Safety and Environmental (HSE), will carry out all work and activities in a way to eliminate accidents or injury to the workers and others, loss of materials during and after execution of any project.

Installation and other engineering construction shall be diligently pursued with safety consciousness. The environmental impact shall be assessed to minimized health hazards to workers and other members of the public within the work vicinity.

We shall plan and executive our jobs in accordance with the clients Health, Safety and Environment policy, jobs that would be performed without due regards to HSE policy shall otherwise be suspended to ensure strict compliance with the HSE policy our staff will attend all HSE courses as may be recognized by us, the client management or any recognized safety organization.

We shall ensure that all staff on project sites wears equipment like Safety Boot, Hard Helmet, Hand Gloves, Ear muff, Goggles, etc., as may require on any particular operation to be carried out.

Our company shall help in the promotion of Health, Safety and Environment both at home and at work, and accepts the responsibility of providing procedure for safe operation at all times.

SAFETY OPERATION PROCEDURE

1. Implementing of safe program approved by the client's loss prevention department.
2. Managing day to day safety activities.
3. Investigating and reporting all incidence/accidents.
4. Preparing, distributing, and monitoring tool box meetings.
5. Arrangement and supervision of good housekeeping.
6. Preparation of information and statistics concerning safety meeting for the supervisors/foremen.

DUTIES AND RESPONSIBILITIES OF SUPERVISORS

Supervisors are responsible for the force under their control. That is to say that they will ensure that all safety regulations are complied with the enforced within the groups of employees they supervise, their duties and responsibilities also include:

1. Ensuring that safety regulations including that of the clients are strictly maintained.
2. Disciplining defaulters of safety rules and regulations.
3. Ensuring that tool box meetings are held daily.
4. Conducts accident investigation to reveal root causes.
5. Ensuring that personal protective equipment is utilized fully.

NEAR MISS

Any situation in which an ongoing sequence of events is terminated for further development of potentially serious (safety-related) consequences is called a near miss. The purpose of collecting and analyzing near-miss- related information are:

1. To gain quantitative insight into how (small) failures or errors develop into accidents and sometimes fatality.
2. To arrive at a statistically reliable fact into hazard occurrences or the factors giving rise to unexpected incidents.
3. To maintain a high level of alertness to dangerous situation especially when the rates of actual injuries and other incidents are low within a given areas at a given time.
4. It is mandatory for person experiencing a near miss to report same to the supervisors or any safety personnel close to the scene for timely evacuation.

LOSS AND PREVENTION CHECKS

Loss prevention emphasizes the identification of hazards at different stages of the project believing same for incident prevention. It Embodies Chemical Screening Radiation Studies and plant safety audit which are characterized by the following:

1. A concern for insight technology associated with major hazards.
2. Emphasis on the management support safety.
3. A reliable system rather than trial and error approach.
4. A concern to avoid loss of containment resulting in major fire incident, explosion or toxic release.
5. The principles of risk analyses and hazard identification.
6. The principles of independence in critical assessment and inspections.
7. A critique of traditional practice of existing code, standards and regulations where these appear outdated or obsolete.

BASIC SAFETY RULES

The following rules and safe work practice are to be observed

1. Anybody with physical handicap such as heart condition, herein loss of hearing should not be permitted to work on site.
2. Each employee must know his/her job before performing them.
3. All workers must be acquainted with the location emergency procedures.
4. Tools must be kept where they away from where they may fall or injure others.
5. Workers must make good use of the sanitary facilities provided on the job site all times.
6. Workers must not wear jewelry on the job site.
7. The use of compressed air to blow out dirt/dust from the body must be strictly prohibited.
8. Shortcut to job execution shall not be allowed except client representative accepts it.
9. Drunkenness, Horse playing or fighting will attract immediate dismissal.
10. All warning sign and signal must be observed.

ACCIDENT REPORTING PROCEDURE

In considering accidents as an unpleasant event, which has the potential of causing injury to personnel and damage to property, it is pertinent to study, recommend and maintain prospective standards at preventing accidents from occurring. Most modern method of preventing accident depends on careful investigation and proper reporting procedures.

IN REPORTING ACCIDENTS

1. Go to the scene of the accidents as soon as possible.
2. Talk with the injured, if possible, with a witness, (don't apportion blame. But get the facts.)
3. Listen to the conversation of the people around you
4. Encourage people to give their ideas on the incidents
5. Study the causes (unsafe acts or unsafe conditions)

6. Confer or meet with the location management about possible solutions.
7. Follow up to make sure conditions are corrected

8. Published corrective measures taken
9. Note that some accidents involve both unsafe acts and unsafe conditions.
Do not blame anybody for any accident.

The loss prevention department will be copied in every accident or incident report.

FIRST PROTECTION

There are basically three classes for fire (class A, B, and C) in homes and industries. Familiarization with the emergency procedure applicable to fire is a standard requirement for all workers.

Notes:

a) A copy of either the Data Page of International Passport, driver's license or National Identity Card of every individual director, subscriber and secretary must be attached to this application. For non-Nigerians only Data Page of International Passport is acceptable.

b) Directors must be individuals and not below the age of 18 years. See section 257 CAMA for other grounds of disqualification.

c) Minors can subscribe to the shares of the company provided there are atleast two other qualified persons.

d) A copy of Birth Certificate of every minor that is a subscriber issued by the National Population Commission or Data Page of International Passport must be attached.

e) Where a corporate body is a subscriber or nominates a director to the board for a fixed term, a board resolution to that effect must be attached. For a corporate body registered outside Nigeria, a copy of certificate of registration duly translated if not in English Language must in addition be provided.

f) The minimum share capital for a private company is N10,000 and N500,000 for a public company. Atleast 25 percent of the nominal share capital must be issued at all times. Please check the guidelines of other regulatory bodies for the capital requirements for companies operating in those sectors.

g) A company limited by guarantee should not be registered with a share capital. The Commission is also required by law to refer the memorandum to the Attorney General of the Federation for approval before registration.

h) Foreigners that are directors or subscribers using Nigerian addresses must attach copies of their residence permit. Other foreigners should use their residential addresses in their country of residence.

i) This form must be accompanied by duly signed and stamped copies of the memorandum and articles of association. Companies are required to adopt the applicable model articles in Table 'A' of CAMA. Any modification to the table must be highlighted and registered together with the memorandum.

j) A first director or subscriber can prepare or present the incorporation documents directly to the Commission for processing. The use of accredited professionals is no longer necessary provided all matters incidental to the registration are complied with.

k) All asterisked fields on the form are mandatory

FEDERAL REPUBLIC OF NIGERIA
COMPANIES AND ALLIED MATTERS ACT, 1990

COMPANIES LIMITED BY SHARES

ARTICLES OF ASSOCIATION
OF

JAZAKIB NIG. LTD

1. INTERPRETATION

- a. In this regulations, "the Act" means the Companies and Allied Matters Act.
- b. Unless the content otherwise requires, words or expressions contained in these regulations bear the same meaning as in the Act.

2. CLASS OF SHARES

The company may from time to time issue classes of shares. It shall be the responsibility of the directors to determine the classes of shares to be issued. All the rights or restrictions attached to each particular class of shares shall be specified in the terms of issue but such rights may at any time be varied in accordance with the provisions of section 141 of the Act.

3. RESTRICTIONS ON TRANSFER OF SHARES

The directors may in their absolute discretion and without giving any reason, refuse to register any transfer of any share, whether or not it is fully paid share.

4. PRE-EMPTIVE RIGHTS OF SHAREHOLDERS OF THE COMPANY

Verify Electronic Stamp here: <http://stamindiv.> <http://stamindiv.> Stamp Div Cert No: 201925235-00030-10200

The company shall not allot any new or unissued shares unless the same are offered in the first instance to all the shareholders or to all the shareholders of the class or classes being issued in proportion as nearly as may be to their existing holdings. The offer to existing shareholders shall be by notice specifying the number of shares to which the shares to which the shareholder is entitled to subscribe and limiting a time, not being less than twenty-eight days after the service of the notice, after the expiration of which the offer, if not accepted, will be deemed to be declined. On the receipt of an intimation from the shareholder that he declines to accept the shares offered or after the expiration of the stipulated time, as the case may be, the board of directors may, subject to the terms of any resolution of the company, dispose of the shares at a price not less than that specified in the offer, in such manner as they think most beneficial to the company. Regulations 4 and 5 above are not alterable except with the unanimous consent of all the members of the company.

5. COMMISSIONS AND BROKERAGE

The company may exercise the powers of paying commissions conferred by section 131 of the Act, provided that the rate per cent or the amount of the commission paid or agreed to be paid shall be disclosed in the manner required by the said section. Such commission may be satisfied by the payment of cash or the allotment of fully or partly paid shares or partly in one way and partly in the other. The company may also on any issue of shares pay such brokerage as may be lawful.

6. ALTERATION OF CAPITAL

The company may from time to time by ordinary resolution effect an alteration of its share capital in any of the ways set out in section 100 of the Act. Subject to the provisions of the Act on reduction of capital, the company may, whenever it considers it expedient to do so, by special resolution reduce its share capital, any capital redemption fund or any share premium account.

7. MEETINGS

The annual general meeting shall be held at such time and place as the director shall appoint. The chairman, if any, of the board of directors shall preside as chairman at every general meeting of the company, or if there is no such chairman, or if he is not present within thirty minutes after the time appointed for the holding of the meeting or is unwilling to act, the director present shall elect one of their number to be chairman of the meeting. If at any meeting no director is willing to act as chairman or if no director is present within thirty minutes after the time appointed for the holding the meeting, the members present shall choose one of their number to be chairman of the meeting.

The Managing Director,
Jazakib Nigeria Limited,
092 Block B, Mabushi Modern Market,
Jahi, Abuja.

Dear Sir,

AWARD OF CONTRACT FOR THE ELECTRIFICATION OF OCHI (KOGI STATE)

I am directed to refer to you recent pre-qualification on the above project and inform you that approval has been given to award you the contract for the electrification of **Ochi** in Kogi State at a total contract sum of **N293,165,906.00** (two hundred and ninety-three million, one hundred and sixty-five thousand, nine hundred and six naira) only. Including 5% VAT.

2. The contract sum covers on-shore works as follows:-

- (i) Supply of concrete Poles, wooden cross-arms and stay block;
- (ii) Transportation of ALL materials to site;
- (iii) Erection of ALL items of works as contained in the Bill of Quantities;
- (iv) Cost of supply of unavailable off-shore materials if necessary

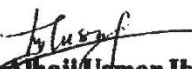

3. The Ministry will supply off-shore materials such as Aluminium Conductors, Insulators, Isolators, transformers and Feeder Pillar etc. You are expected to perform this contract in accordance with the specifications and to the satisfaction of the ministry.

4. You are to report to the General Manager, Rural Electrification department at PHCN Headquarters, off Aguiyi Ironsi Way, Maitama, Abuja for detailed briefing and collection of the contract documents.

5. You are also to indicate your acceptance of this offer within seven days of the receipt of this letter (or otherwise). Thereafter, you are to contract the Legal unit of this Ministry to sign the contract agreement.

6. Finally, I am to inform you that the contract is to be completed within 12 (twelve months) from the date of signing the contract agreement

7. Congratulations.

AUDITORS' REPORT
TO THE MEMBERS OF
JAZAKIB NIGERIA LTD

We have audited the accompany financial statements of **JAZAKIB NIGERIA LTD** as at 31st December 2025, set out on page 7 to 8 which have been prepared on the basis of the significant accounting policies on page 6 and other explanatory notes on pages 9 & 10.

DIRECTOR'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

The director is responsible for the preparation and fair presentation of these financial statements in accordance with the companies and Allied Matters Act, CAP C20 LFN 2004. This responsibility includes: designing, implementing and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies, and making accounting estimates that are reasonable in the circumstances.

AUDITORS RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements on our audit. We conduct our audit in accordance with the international standards on auditing. Those standards require we comply with ethical requirements and plans and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our audit opinion.

OPINION

In our opinion, the company has kept proper accounting records and the financial statements are in agreements with the records in all materials respects and give in the prescribed manner, information required by the companies and allied matters ACT, CAP C 20 LFN 2004. The financial position of **JAZAKIB NIGERIA LTD** as at 31st December 2025, and of its financial performance and cash flows from the year ended in accordance with the statement of accounting standards issued by the Nigerian accounting standards boards and relevant international financial reporting standards.

Chartered Accountants

JAZAKIB NIGERIA LIMITED
